

## Coach (m/f/d) wanted

As of now, the women's lacrosse team of the Düsseldorf Sport Club 1899 (DSC 99) is looking for a ball sports coach (m/f/d).

The coach does not necessarily need to have lacrosse experience, but should have had first hand coaching experience, preferably in the fields of hockey / ice hockey / handball / basketball. Overall, the new coach should be motivated and willing to understand and work with possibly a new sport.

The women of the DSC99 have been playing in the first Bundesliga West for more than 10 years. The team currently consists of 20 motivated women between the ages of 17-35, with different experience and great ambition to practice.

Looking into the future, the lacrosse team would like to have a long-term partnership with a motivated coach, who encourages and challenges the team and leverages the full potential of each individual player. The team is ready to face new challenges and wants to play a successful season.

The main days for practice are Monday and Wednesday, from 7:30 to 9:00 p.m. In addition, home and away game days take place at the weekend during the season.
